FWBO WORLD CUP Winners

IRISH WIN WORLD CUP!

IRELAND ENJOY FAMOUS WIN IN LONDON

It was third time lucky for the boys in green who ran out winners in the World Cup organized by Jayaraja.

The Irish Team comprised Osadha, Vajrashura, Ahimsaka, the cultured left foot of Frank Balfe, John Greaney and a late call up Javier (who qualified for the Republic after correctly locating Ireland on a map.).

In the closest fought competition of recent years, the Irish faced tough games against London and Cambridge before the final showdown with Brighton - the winners would lift the trophy, a draw would hand victory to Buddhafield.

With 30 seconds remaining and the game still scoreless, Osadha broke free with a man to beat and buried the ball in the bottom left hand corner securing a win for Ireland.

Open Top Bus

The Squad took the traditional open top bus to parade the trophy to bemused onlookers. After being asked to leave the Dublin Tour Bus the squad members adjourned for a banquet at Paddy's 'Greasy Fry' restaurant to relax from the rigorous training regime of recent months.

Wizard of Os Guides Ireland to World Cup Victory

After being detained at the Airport after triggering security alarms with concealed World Cup and Best Player trophies, Osadha was in reflective mood. He warned the 'Champagne Charlies' of the squad not to rest on their laurels

"Vajrashura's Mitra Study Youth team is producing hungry players.. competition for places will be tough next year" he said as he was led away by Police.
